

3 PAYMENT PROCESSING PLANS AVAILABLE

TRADITIONAL: Your business pays a 1.7% flat rate credit card processing fee on all transactions.

REWARDS PAY: Your business only pays the processing fee on debit card transactions. The customer is responsible for their credit card fees.

- You can save 60-80% on total credit card processing fees!
- Easy to implement: credit card terminal automatically determines debit or credit and assesses fees accordingly.

CONSUMER CHOICE: Allows your business to offer Card and Cash pricing.

- Save 99-100% in fees!
- Easy to implement: credit card terminal automatically rounds up sale price to include fees.

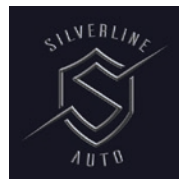

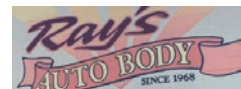

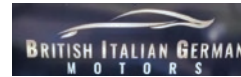

NO RATE INCREASES
(YES, REALLY!)
